WELCOME

Our Philosophy

The Franklin County Board of Commissioners is committed to serving, supporting, and uplifting all residents of Franklin County through a lens of respect and human-centered care. We strive to ensure that every resident's needs are met on the fundamental social, wellness, economic, and environmental levels. We are dedicated to constant innovation, sustainability, and progress, for the sake of providing the best possible quality of life for all residents.

Every Resident. Every Day.

WHAT IS HEALTH EQUITY?

- Improve physical, mental, and behavioral health, and well-being – increasing access to care, utilization of services, and social connectedness.

- This grant supports the commissioner's equity initiatives by funding agencies that will provide more equitable access to healthcare or positive health outcomes for residents.

WHAT IS HEALTH EQUITY?

- Goal #8 Improving maternal and child health among high disparity groups, struggling financially.

- Goal #9 Reducing the overall incidence and racial disparities in occurrences of preventable diseases and trauma, and improving the health of those living with chronic, mental, physical, and behavioral health conditions among those struggling financially.
