**UPDATE: BOIL ALERT CONTINUED FOR HOMES IN
SOUTHWEST FRANKLIN COUNTY**

As a result of a water main break which occurred yesterday, Tuesday, 10/21, for which water sample test results are still pending, the Franklin County Department of Sanitary Engineering is extending the precautionary boil alert through tomorrow morning, Thursday, 10/23, for residents of the following streets on the county's southwest side:

- All homes on the north side of Sullivant Avenue between Inah and Redmond Avenues.
- All homes on the following streets between Sullivant and Owen Avenue:
 - Inah
 - Postle
 - Fernhill
 - Evergreen Terrace
 - Woodlawn
 - Hiler
 - Redmond

The affected area can be seen at the following Google Earth URL:

https://www.google.com/maps/d/viewer?mid=zUiNHUXxfd8E.kGt_ooXojUnw

Residents are required to boil their water vigorously for one minute before using it in food preparation or drinking. Another advisory will be provided when the alert has been lifted. The water is safe for showers or bathing.

Franklin County customers can call 614-525-3940 from 8am to 5pm, M-F, or our after-hours emergency number at 614-525-2365 for any questions regarding this issue.
