

Franklin County Board of Commissioners Community Partners Grant Funding Application Overview

The application process will take place on United Way's E-Cimpact platform. You can add the application if your agency is already using this system, or if you are new to this system, register your organization to access it.

Agencies with an existing account: Login to E-CImpact at <https://agency.e-cimpact.com/login.aspx?org=37145F>. If you have not yet accessed this system, contact your agency's primary contact (typically the Executive Director) for your login and temporary password. If you are unable to access the system, send an email to Reporting.Help@uwcentralohio.org for further assistance.

Agencies which have not used the system before must create an account: Go to E-CImpact at <https://agency.e-cimpact.com/login.aspx?org=37145F>. *Note: You must have an EIN to register an agency.* Follow the prompts on the website to set up your agency profile and register any program(s) for which you wish to request funding. If you need assistance navigating the site in the future, access the user guide in the resources section in the lower right corner of the home page. If you need assistance getting registered, email us at Reporting.Help@uwcentralohio.org or call 614-241-3073 and ask to speak with a member of our Data Analytics team.

Franklin County Board of Commissioners Community Partners Grant Funding Application Overview

Once logged in:

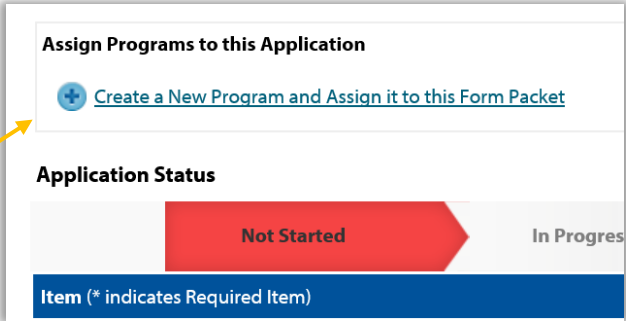

- Go to the Apply/Report box on the left side of the home page
- Agencies must click **Grant Applications** and select the **FC 2022 Community Partnership Grant Application**, then click continue. The application forms will then be available to your agency.
- Under **Franklin County Board of Commissioners**, Click on **FC 2022 Community Partnership Grant Application**
- You will either select an existing program (applies to United Way/City funded agencies)
- OR you will create a new program (existing agencies may also need to do this).
- IMPORTANT: Avoid creating a duplicate program if it is already in the system.
